

Firefly Fields
9 Babb Rd. Southwick, MA

Firefly Fields, established in 2018, is a charming farm in Southwick, MA. It is known for its diverse range of produce, livestock, and engaging farm activities. The farm is a family-run operation with a focus on both agriculture and animal husbandry. Established in 2018: Firefly Fields is a relatively new addition to Southwick's agricultural community. The farm is owned by Lindsay, who focuses on livestock, while her son is passionate about growing various fruits and vegetables. The owner's son runs a mini farm stand where he sells the farm's produce. The farm produces goat milk and makes various products such as goat milk soap and lotions, which are available for sale. Custom soap orders can also be made. The goats at Firefly Fields participate in goat yoga sessions, adding a unique and fun activity for visitors. The farm also has chickens, and their eggs are sold at the farm stand. Visitors love meeting the farm's donkey, known for its big personality.

Open Farm Day Activities:

Petting Zoo: Interact with a variety of animals, including goats, pigs, rabbits, horses, chickens, sheep, and the friendly donkey.

Pony Rides: Enjoy pony rides for \$5 per ride.

Arts and Crafts: Participate in arts and crafts activities, perfect for children and families.
