

Blossoming Acres Farm

SOUTHWICK IS A PROUD RIGHT-TO-FARM COMMUNITY!

Farming has been a part of Southwick's history since its incorporation in 1770... and long before!

Our farms generate both traditional and new crops & products! Southwick enjoys many benefits from its strong farm economy and we are committed to preserving our agricultural heritage and supporting the future of farming here!

Coward Farm

OUR 3RD OPEN FARM DAY!

The goal of Open Farm Day is to build connection, recognition and respect for the work farmers and farmworkers do in our community.

Farmers not only grow the food, drinks, and other goods that sustain us, they also contribute to our in-town and regional economy as well help protect open space, which is one of Southwick's most valuable assets.

Please buy local whenever you can!

OPEN FARM DAY PASSPORT (OPTIONAL)

Pick up a passport at your first farm and get a sticker for each farm you visit.

Klineview Stables

Sheep Pasture Sunflower Stand

**ORGANIZED BY THE TOWN OF SOUTHWICK
AGRICULTURAL COMMISSION &
CO-SPONSORED BY THE TOWN OF
SOUTHWICK'S
ECONOMIC DEVELOPMENT COMMISSION AND
THE SOUTHWICK LAND TRUST**

Our Commission is committed to helping farmers find ways to preserve their land and farms. Please get in touch with us for more information on conservation programs! Please email: agcom@southwickma.gov
