

HOW THE PASSPORT WORKS:

Pick up a passport at your first farm and get a sticker for each farm you visit. Passport participation is totally optional and not required to visit the farms.

OPEN FARM DAY IS FREE AND OPEN FOR ALL!

OUR 3RD OPEN FARM DAY!

The goal of Open Farm Day is to build connection, recognition and respect for the work farmers and farmworkers do in our community.

Farmers not only grow the food, drinks, and other goods that sustain us, they also contribute to our in-town and regional economy as well help protect open space, which is one of Southwick's most valuable assets.

PLEASE BUY LOCAL WHENEVER YOU CAN!
